***"We defend against terrorism to bring
Peace at Home, Peace in the World"***

Türkiye declared her intention to establish COE-DAT in December 2003. Following a preparation period of the Memorandum of Understanding, COE-DAT was officially inaugurated on 28 June 2005. COE-DAT met the criteria set by Allied Command Transformation (ACT), was accredited by NATO, and gained "International Military Organization" status on 14 August 2006. Currently, 7 NATO nations (Türkiye, Albania, Germany, Hungary, Italy, Romania and the United States) are taking part in COE-DAT.

Since its establishment COE-DAT has been actively contributing to CT challenges by conducting courses, mobile education and training activities, seminars, and workshops for the members of NATO, Partnership for Peace (PfP), Mediterranean Dialogue (MD), Partners Across the Globe (PatG), İstanbul Cooperation Initiative (ICI), relevant International Organizations (IOs), and countries with which Türkiye has a bilateral relationship.

WHO WE ARE!

COE-DAT supports and contributes to NATO's Counter Terrorism efforts and transformation by functionally aligning itself to cover three main roles:

- As a NATO Education and Training Facility running courses Mobile Education and Training Team Activities and Seminars,
- As NATO's Department Head for Counter Terrorism and
- As a strategic level Centre of Excellence (think tank) cooperating with Academia and Researchers.

COE-DAT is the second centre accredited among NATO Centres of Excellence.

COE-DAT is the unique centre on terrorism related issues accredited by NATO.

VISION

To remain an internationally recognized and respected resource of expertise, and serve as NATO's hub for research, education, and collaboration amongst the global counter-terrorism community of interest.

MISSION

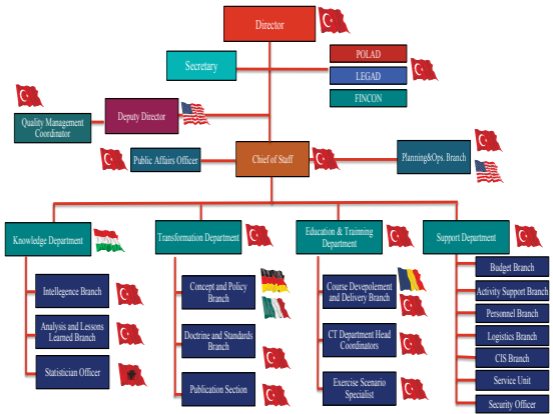

Provide key decision-makers with a comprehensive understanding of terrorism and Counter Terrorism challenges, in order to support NATO's and the Nations of Interest transformation to meet future security challenges.

This transformation is embedded into NATO's three declared core tasks of deterrence and defence, crisis prevention and management, and cooperative security.

CORE VALUES

- Quality
- Efficiency
- Professionalism
- Integrity
- Innovation
- Teamwork
- Reputation and Recognition
- Continuous Development
- Sustainable Success

Organization

COE-DAT has been awarded the NATO Quality Assurance Unconditional Accreditation Certificate, valid for six years, starting January 2025. This follows a thorough evaluation by the HQ SACT Quality Assurance Team of Experts (QA ToE) in 11-12 September 2024, during which COE-DAT was assessed against 31 NATO Quality Standards. The accreditation confirms that COE-DAT's processes and procedures meet NATO's Education and Training (E&T) quality assurance standards, ensuring the accuracy, consistency, and reliability of its curriculum.

The COE-DAT staff is dedicated to providing NATO-approved education and training to our participants through a team of highly qualified experts, lecturers, instructors, and prominent guest speakers from national and international military/civilian organizations and universities.

TERRORISM EXPERTS CONFERENCE

In 2026 COE-DAT is going to conduct the annual Terrorism Experts Conference (TEC) on Defence Against Terrorism which cover CT related subjects and discusses latest trends in Terrorism and Counter Terrorism.

Aim of the event is:

- to provide senior officers an opportunity to update their understanding of terrorism from preeminent experts in relevant fields,
- to reflect on the role of terrorism in international relations and conflict,
- to prepare attendees to make sense of international developments and respond with better policy and strategy.

Participation:

The conference brings together participants such as:

- Senior Commanders and Flag Officers (OF5 and above),
- CT Practitioners on the executive level (OF2 to OF4), that should be working in domains such as counterterrorism, intelligence, operations, plans, training, force protection, PSYOPS, INFO OPS, STRATCOM, public affairs, police, law enforcement, judicial etc. (Rank exceptions are considered on the basis of operational/academic experience.),
- International and national CT experts from academia, think tanks,
- Academics and researchers from various international organizations,
- Universities,
- Military educational institutions,
- Security institutions,
- Think tanks.

The event is open to selected individuals from NATO, NATO partner countries (such as Partnership for Peace, Mediterranean Dialogue, Istanbul Cooperation Initiative, Partners across the Globe), and international organizations (such as the United Nations, European Union, and Organization for Security and Co-operation in Europe).
